From: Ministry of Labour, Immigration, Training and Skills
Development
Employment and Training Division

Date: April 11, 2025

Subject: New Employment Ontario Partners' Gateway Launching
on Monday, April 14!

The new Employment Ontario Partners' Gateway (EOPG) is launching on **Monday, April 14, 2025**! Please see previous announcements from [April 1, 2024](#) and [April 7, 2025](#) for more details on the new site's features and functionality, including the HTML program guidelines pilot.

Here are a few important tasks and things to keep in mind for launch day:

- On launch day, please visit the [old EOPG site](#) as normal. You will be automatically redirected to the new site once it officially launches on Monday, April 14.
- Please take a moment to read the welcome message on the new site home page, and **subscribe to receive email notifications** when new announcements and content are posted on the EOPG. Once you subscribe, you'll get a confirmation email. If you don't see it, please check your junk mail and mark the sender as safe. You can choose to subscribe to all notifications, or just the ones relevant to you.
- Don't forget to update your bookmarks!

After launch, the ministry will be making plans to gather your feedback on the new site to inform improvements and new features. As well, watch for an invite to an optional virtual showcase shortly after launch, for anyone interested in hearing more about the research, design and development process.

We look forward to providing more modern digital information and communications supports through the new EOPG, and to hearing your feedback to inform continuous site improvements in future.
